MANY IN ONE.

From Songs and Sonnets.

To the red and the white and the blue, here's a health! To the old and the young and the man that's to be

Not fame will I wish them or too much Nor peace without honor, nor quiet ! that's not free.

To the North, to the South, to the East, to the West,

To the blue and the gray, they're all one color now. To the poor men that work and the rich men that rest;

To the men of the pen and the men of the plough:

Here's a health to them all, from wherever they come! May they learn one short lesson by head and by heart.

That the figures are weak till they make up a sum. That the whole is a whole and a part | erto withheld by their owners. is a part.

The red and the white and the blue are but one, And the flags of all nations were dipped in the sea

When their children set face to the westering sun. No Teuton, no Celt, all Americans we. MAURICE FRANCIS EGAN.

A Disinterested Patriot in Action.

It is a fine spectacle to behold Colonel Roosevelt energetically performing his self-appointed task of patriotism without a single thought of his own political fortunes or a single personal ambition except to do what he can to arouse the nation, and particularly the middle West, to the practical needs of Preparedness and to the high ideals of an undivided Americanism!

We invite for him in this splendid rôle the admiration of all those citizens who share his and our views on the great subject now foremost in his and our minds

We invite for him the applause of all American citizens, whether they to softer measures of persuasion; style themselves Republicans or Pro-now they must sell or suffer partial
